**Subject:** Can you send me your bibliography - as you have it?

Hello all,  
Last week was our first meeting with the Intergovernmental Technical Team where we met with the state, tribal and federal technical experts who are involved in Bristol Bay. It was a very productive meeting. So far we have gotten positive feedback. We promised to share our work to date with the other agencies. Specifically we have received a request for the bibliography that we have compiled to date. Can each of you send me any bibliography you have? I am not asking that you enter anything that you do not already have in some sort of file. No need to type in a bunch of references. Please send anything that you can quickly copy or attach to an email. I will organize them and send them on to the agencies.

Thanks,  
Phil
